StrongLoop documentation directory

We supply documentation for the current StrongLoop release, previous releases, and sometime pre-release documentation:

- StrongLoop 2.0 - the latest release.
- StrongLoop 1.x - the previous release.

> ✅ For links to LoopBack documentation in other languages, see Docs in other languages.

StrongLoop 2.0

Please see StrongLoop 2.0.

StrongLoop 1.x

Please see StrongLoop 1.x.

PDF version

We occasionally export the LoopBack documentation to PDF files, when requested.

The available PDFs are:

- Core LoopBack documentation (16 Sep 2015)
- LoopBack components documentation (16 Sep 2015)
- LoopBack Client SDKs documentation (16 Sep 2015)
- Operating Node Applications (16 Sep 2015)
- Reference (16 Sep 2015)

> ⚠️ To reduce the large file size, the PDF files do not include the API reference documentation from http://apidocs.strongloop.com.
